Jonathan is my mentor who hired me into the industry as an analyst in 2002 and taught me how to look at companies. Jonathan launched Ratio in 2006 and now works at Otus running a Micro-cap fund there.

Cheyne - 2012-2014

Richard Woolf | +44 (0) 7831 748326

Richard is a senior Equity PM at Cheyne – running a long/short European Equity strategy. We ran separate strategies but had occasional overlap on names. Richard still works at Cheyne.

Man GLG - 2014-2021

Erik Koenig | +44 (0) 7971 193057

Erik was head of trading at Man GLG when I worked there and we worked closely together on deal execution and ECM transactions. He went on to work at Millennium and is now head of Equities at BOA.

Brentley Campbell | +44 (0) 7492 452005 | brentley.campbell@man.com

Brentley worked for me as an analyst as is now managing my old fund at GLG. He can give you an idea of what I was like as a manager – please don't give him the SMA instead of me!

He led a consumer strategy, where we overlapped on multiple names and often attended shared management meetings. His previous experience includes roles at Citadel and Marshall Wace.
